ADCO Services, Inc.

12-11286-01, 030-07490, 315284, ML 060610138

Phone message left for Len Worbiani in behalf of Jerry
Wiza, RSO

The reviewer left a phone message informing the licensee that the reviewer was putting a license condition of the license requiring that procedures be developed, maintained and implemented concerning responsibility agreements between ADCO and their customers. The licensee did not call back to discuss this which means they do not have a problem with the condition. That is the way the reviewer explained it in the message.

James Mullauer, 7/31/06
