Re: Additional information needed for amendment to License, control No. 139159

Dear Ms. Modes,

This is in reference to your letter received on August 11, 2006 requesting additional information needed to amend License No. 47-25543-01.

1. The correct mailing address for License items 1 and 2 on License No. 47-25543-01 is:
Argus Energy WV, LLC.
P.O. Box 191
Dunlow, West Virginia 25511
2. License item 9 should indicate that we possess a Gamma-Metrics Model CB-HI cross-belt analyzer.
3. The maximum possession limits for cesium-137 and californium-252
The maximum possession limit for cesium-137 is 10 millicuries.
The maximum possession limit for californium-252 is 16 millicuries.
4. License condition 10 is correct. The Licensed material shall be used only at Argus Energy WV, LLC., 3026 Big Sandy Road (POB 416) (Wayne County River Terminal), Kenova, West Virginia 25530.

Thank you for your cooperation and let me know if you need additional information.

Sincerely,

Timothy D. Kelly
Manager of Quality Assurance
