Subject: Kennecott Uranium Company Surety Update

Oscar:

This e-mail acknowledges receipt of the surety update dated July 12, 2006, for Kennecott Uranium Company's Sweetwater Uranium Project near Rawlins, WY. NRC staff is currently reviewing this submittal and has no questions or comments at this time. If we should have any future questions or comments, we will address them under separate correspondence. NRC staff will likely complete this licensing action by the end of August 2006. If you have any questions, please call me.

Sincerely,
