To Whom It May Concern:

I would like to amend Plymouth Tube's current NRC license 13-32528-01 to remove Bob Curry from the assistant RSO position and Ray Spradlin from the RSO position. Bob has left the company and will no longer be working at this facility. Ray will be leaving as of June 22, 2006. Add Greg Martin into the RSO position.

If you have any questions regarding this request please feel free to contact Greg Martin at 574-946-3125 x278 or gmartin@plymouth.com. I appreciate your assistance in this matter.

Thank you,

Ray Spradlin
