RE: Relocation of the Nuclear Medicine Laboratory

Dear Sir or Madam:

Please amend our NRC license 52-25531-01 to relocate the Nuclear Medicine Laboratory to the first floor of the Hospital. Please place a rush on the amendment so that we may begin the acceptance testing of the new equipment that will be installed within two to three weeks.

The old Nuclear Medicine Laboratory (located on the fourth floor) will be closed by the end of September and the final "close-out" survey will be forwarded to you for review before the area is released.

If you have any question regarding this matter, please contact Mr. Pedro Rivera at (787) 854-3322, ext. 4001.

Sincerely,

Pedro Rivera Lugo, MHSA
Executive Administrator
