Paul,

I have been reviewing the Egg Harbor Township lease and I have a question. It appears that Atlantic City Medical Center is the lessor, which later changed its name to Atlanticare Regional Medical Center (ARMC). ARMC leases the space to Digirad. If that is the case, why is the Memorandum of Understanding (MOU) signed by David A. Lawson, General Manager and what is his relationship to Atlanticare Regional Medical Center? Therefore,
(1) describe the relationship between David A. Lawson and Atlanticare Regional Medical Center showing that Mr. Lawson has the authority to sign the MOU, or
(2) provide a MOU signed by a member of Atlanticare Regional Medical Center's management.
