Ms. Wolf, thank you for the notice regarding the limited appearance. We consulted with our client, Entergy, and they wish to withdraw Mr. R. Brian's request to speak at the 8/28 Grand Gulf limited appearance session. We apologize if this has caused any confusion. Please let me know if you require any further information.

Hearing, Port Gibson, MS August

Dear Counsel,

Earlier today I received the e-mail below from Timothy Crisler (Corporate Communications Specialist for Entergy, Grand Gulf Nuclear Station), entering on behalf of Mr. Russ Brian (Interim Vice President, Grand Gulf Nuclear Station) a request to speak at the limited appearance session scheduled for Monday August 28.

Limited appearance sessions are governed by 10 CFR 2.315(a), which states that only persons "not a party (including persons who are affiliated with

or represented by a party) may, . . . be permitted to make a limited appearance." See also Southern California Edison Co. (San Onofre Nuclear Generating Station, Units 2 and 3), ALAB-212, 7 AEC 986, 992 (1974) ("[e]very construction permit application entails a mandatory hearing to which the applicant(s) and the staff are automatically parties").

Given the fact that Mr. Brian is affiliated with the applicant-SERI, please advise the Board via e-mail by Monday, August 21, as to your respective positions on the propriety (or not) of his request to enter an oral limited appearance statement.

Sincerely,

Debra Wolf
