Reference: Request to Change Radiation Safety Officer
AlexCom & Associates, Inc. (Licensee No. 45-25162-01) 03032440
Stafford County, Virginia

Dear Sir or Madam:

This letter is intended to serve as a request of amendment to the materials license of the above referenced licensee. The radiation safety officer duties will be assumed by Rodney Dotson whose certification is enclosed with this letter. The alternate radiation safety officer will remain as Roland Combs.

Thank you in advance,

Chuck Newman, PE
Radiation Safety Officer

139343
NMSS/RGNI MATERIALS-002

North East Technical Services, Inc.
Certifies that

Rodney D. Olson

Has successfully completed the required radiological safety training for use of nuclear moisture density gauge in accordance with regulations set forth by the Maryland Department of the Environment and the Nuclear Regulatory Commission. Also has successfully completed training in accordance with policies set forth by the following rules and regulations governing Hazmat training requirements: 49CFR subpart H and IATA 1.5.2. Person listed above has demonstrated a thorough understanding of all aspects needed for transportation and specific emphasis was placed on portable nuclear density gauges. A closed book examination was administered and a passing score was achieved. Subjects included in this course were as follows: Radiological Safety — principles and practices of radiation protection, leak-testing procedures, measurement of radioactivity, biological effects of radiation, incident, storage, ALARA and emergency procedures.

Instructor — Jeffrey D. Castonguay

Date of Training: September 22, 2004
