This is a resend with the date indicated.

I have set up a meeting with the Petition Review Board for 10:05 AM your time (1:05 PM east coast time) for Thursday August 10, 2006. You can call in to the NRC Operations Center at (301) 816-5100 or toll free at 1-800-532-3469, and indicate to the Operations Center that you are calling to participate in the 2.206 Petition Review Board meeting. They will connect you to the bridge for recording the meeting; licensees have been invited to listen in.

Please verify that you have received this information by emailing me back or by calling me at (301) 415 - 7833, and that you can participate at that time.
