The staff at your facility should prepare and conduct the requalification examinations in accordance with your NRC-approved requalification program.

In accordance with 10 CFR 55.59(c), the NRC has requested that you submit (one week prior to the inspection/make ready upon arrival) the material as specified in the Enclosure, in order to support the NRC's inspection program needs. Mr. Giddens has been advised of this request and provided with the name and address of the NRC lead inspector assigned to this inspection.
