June 2, 2006 letter from the licensee's RSO, Dr. Burney

SUMMARY

We received a letter from the current RSO, Dr. Burney re: his resignation as the RSO.

I called to verify that hospital management is aware of his resignation, and to check on their plan to name a new RSO. Mr. Stensen confirmed that hospital management is aware that Dr. Burney is resigning. They will be having a RSC meeting the week of 6/19 to approve a new proposed RSO. Mr. Stensen is aware of the regulations and the requirement to notify and amend the license to change the RSO. They are planning to submit an amendment request for a new RSO to Region III soon after the RSC meeting.
