Subject: Envirocare's name change to EnergySolutions - Appearance of Federal Register Notice

Dear Mr. Hultquist:

This to inform you that on June 13, 2006, an NRC Order modifying EnergySolutions, LLC's (formerly Envirocare of Utah, LLC's) exemption from 10 CFR Part 70 was noticed in the *Federal Register*. The conditions in this modified Order reflect the change in name from Envirocare to EnergySolutions; no other substantive changes were made to the conditions. This action was taken in response to a March 3, 2006 request from EnergySolutions.

If you have any questions about this matter, my contact information is provided below.

Sincerely,

James R. Park
