Re: Duane Arnold Energy Center
Docket No. 50-331
License No. DPR-49
Withdrawal of TSCR-076: "Relaxation of Emergency Diesel Generator
Testing Criterion"

References: 1) TSCR-076: "Relaxation of Emergency Diesel Generator
Testing Criterion," NG-05-0467, dated September 16, 2005
2) Follow-up Response to Request for Additional Information re.
TSCR-076, NG-06-0490, dated July 21, 2006

In Reference 1, FPL Energy, LLC requested a change to the Duane Arnold Energy Center (DAEC) Technical Specifications. We have determined that this change is no longer needed and hereby withdraw that request.

No new commitments are made by this letter and the previously docketed commitment (Reference 2) is also withdrawn. FPL Energy will resolve the issue described in that commitment via the site's corrective action program.

Should you have any questions regarding this matter, please contact Mr. Steve Catron at (319) 851-7234.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on September 8, 2006.

Gary Van Middlesworth
Site Vice President, Duane Arnold Energy Center
