SUBJECT

Control No. 315594 – Regarding amendment request for License No. 12-00722-07 by letter dated July 18, 2006, and follow-up to Conversation Record dated September 11, 2006.

SUMMARY

Mr. Buckrop stated that based on initial activity of 3 millicuries for the Pm-147 sources and since there has been no manufacture of these sources for several decades and many have been recovered and properly disposed of, therefore a possession limit of 1000 curies on the license would be more than adequate for current needs.

ACTION REQUIRED

License reviewer to modify amendment request for License No. 12-00722-07, based on information related above.
