SUBJECT: CONNECTICUT MULTISPECIALTY GROUP, P.C., LICENSE AMENDMENT,
CONTROL NO. 139398

Dear Mr. Vye:

This refers to your license amendment request. Enclosed with this letter is the amended license removing your authorization to use and store iodine-131 at your facility at 100 Retreat Avenue in Hartford.

Based on a telephone conversation with Dan Marx, your physics consultant, we understand that all iodine-131 waste has been removed from this facility. License Condition 10.B. has been updated to restrict licensed activities at the Retreat Avenue facility to storage of calibration reference sources permitted by 10 CFR 35.65. It is the responsibility of the Radiation Safety Officer to supervise storage of these sources.

We understand that you are in the process of obtaining further documentation of Dr. Robert Oberstein's training to demonstrate that he meets the requirements of authorized user for iodine-131 in quantities less than or equal to 33 millicuries. You may request to resume your authorization for clinical use of iodine-131 at the time that you either demonstrate that Dr. Oberstein meets the requirements or request to add another qualified authorized user physician to your license.

Please review the enclosed document carefully and be sure that you understand and fully implement all the conditions incorporated into the amended license. If there are any errors or questions, please notify the U.S. Nuclear Regulatory Commission, Region I Office, Licensing Assistance Team, (610) 337-5239, so that we can provide appropriate corrections and answers.

An environmental assessment for this action is not required, since this action is categorically excluded under 10 CFR 51.22(c)(14).

Current NRC regulations and guidance are included on the NRC's website at www.nrc.gov; select **Nuclear Materials; Medical, Academic, and Industrial Uses of Nuclear Material**; then **Toolkit Index Page**. Or you may obtain these documents by contacting the Government Printing Office (GPO) toll-free at 1-888-293-6498. The GPO is open from 7:00 a.m. to 8:00 p.m. EST, Monday through Friday (except Federal holidays).
