

NOTE TO FILE

Licensee: 21st Century Oncology
License No: SUB-1561
Docket No: 04009025
Mail Control:139338

Licensee requested the termination of the license listed above. The license stated they were in possession of a Varian 6/100 Linear Accelerator s/n 178. They stated they no longer had the Varian 6/100 Linear Accelerator s/n 178 and that it was placed under NRC license SUB-1590. NRC received a letter from Oncology services on March 23, 2006. that confirmed the receipt of the Varian 6/100 s/n 178. The knowledge of this letter was the basis to terminate the license.

Please link this letter into the 21st Century Oncology package. The letter proving the receipt of the instrument is found in ADAMS under accession number ML0608603450.
