Janice,

Areva applied for an export license by copy of my letter, DLN:06:059 dated 9/21/06. In the first sentence of the cover letter I said, " Enclosed is a request for issuance of an export license authorizing the export of enriched and natural uranium to Tokyo Electric Power Company in Japan as finished fuel." That sentence should read, "Enclosed is a request for issuance of an export license authorizing the export of enriched uranium to Nuclear Fuel Industries, Ltd. in Japan for fabrication into finished fuel."

There are no other changes in the application. Let me know if you have any questions.
