Subject: request of information for J. Petti

John-

Sandia will begin loading the model information on monday.

As a result, today is the last day to provide Oyster Creek specific information into the model.

I believe however; that if we can get the information to him by Monday a.m., he would use it.

I am not sure if you are at the office today or not, so I will include Ahmed and Don on this email.

I will be in the office later today.

-Donnie
