Subject: IAEA Upcoming Visit

Good Morning Don:

The IAEA has informally informed the NRC that the dates of its planned June visit to the UZOO facility have changed. The original visit was scheduled for June 15 & 16, 2006. We understand, informally, that the dates of the IAEA's June visit to UZOO are now scheduled for June 19 & 20, 2006. We are looking for a formal communication from the IAEA to confirm the aforementioned change in dates of its planned visit.

I expect that once I send this e-mail that I will receive the formal IAEA notification of the change in the inspection dates.

I will notify you when I receive the formal notification from the IAEA.

Please contact me if I can be of further assistance.
