**Subject:** IAEA's August inspection at BWXT

Good Morning Bill/Geoffrey:

The IAEA plans to be at BWXT for their routine inspection of the (b)(4) down blending area August 11, 12 & 13th. Two IAEA staff are scheduled to be at the inspection.

NSIR has prepared and sent a letter to BWXT (Sent to Mike Suwala) notifying them of the two IAEA staff and their plans to be at BWXT for the three days.

**Geoffrey:** Can you check your schedule and see if you could (b)(4) to the IAEA Wednesday August 11? Please contact the BWXT representative (Chris Paterson 522-6734) and let him know if you can perform this function. At this time, my office does not expect to have a staff member at the site for the IAEA inspection and (b)(4)

Please contact me if you desire any additional information or discuss IAEA activities.

Thank you
