~~OFFICIAL USE ONLY~~

Good Afternoon Bill/Geoffrey:

The International Atomic Energy Agency (IAEA) has notified us that two of their staff members plan to be at BWXT, (b)(4) down blending area, for their routine inspection activities December 7-9, 2005.

NSIR has signed a letter to BWXT (Attn: Mike Suwala) notifying them of the IAEA inspection and the name of the IAEA staff who will be at BWXT. I faxed a copy of this letter to Don Cutchin (the BWXT point of contact for IAEA activities) for information earlier today.

**Geoffrey:** Would you check you schedule and see if you could (b)(4) to the IAEA Wednesday December 7th? Please contact the BWXT representative (Don Cutchin 522-5186) and let him know if you can perform this function.

At this time, Bruce Moran of NSIR is planning to be at BWXT for this IAEA visit.

Please contact me if you desire any additional information or discuss IAEA activities.

Thank you
