Office Use Only - International Agency - Controlled Information

Good Afternoon Bill/Geoffrey:

The International Atomic Energy Agency (IAEA) has notified us that two of their staff members plan to be at BWXT (b)(4) down blending area, for their routine inspection activities April 13 & 14, 2006. Ex 4

NSIR has prepared and signed a letter to BWXT (Attn: Mike Suwala) notifying them of the IAEA inspection and the name of the IAEA staff who will be at BWXT. I faxed a copy of this letter to Don Cutchin, the BWXT point of contact for IAEA activities, for information.

No NSIR currently plan to be at BWXT for this IAEA visit.

Geoffrey, would you be available to (b)(4) to the IAEA Thursday April 13th? Ex 4

Please contact me if you desire any additional information or discuss IAEA activities.

Thank you
Brian Horn
