<p>Summary: In a letter dated 4/30/07, DIS requested that the base site in Michigan City, Indiana be removed from their license as a location of use. Concurrently, the Indiana Institute of Cardiology (IIC) requested a new license for this location. The DIS amendment is being handled by Region I (T. Weidner) and the IIC new license is being reviewed by Region III (J. Mullauer). The mail control number for the IIC action is 316218 and Accession number is ML071220222. IIC and DIS requested that these actions be handled concurrently so that service is not interrupted. J. Mullauer and I agreed that he would contact IIC and get an agreement signed by IIC and DIS stating that IIC accepts the facility as is and that they will also accept the RAM waste that is currently being held for decay in storage.</p>
