Region II will host a Training Managers' Conference on July 18, 2007. The meeting will be held in Conference Room B, of the Sam Nunn Atlanta Federal Center, 61 Forsyth Street, Atlanta, Georgia. The meeting will start at 8:00 a.m. and end at 4:00 p.m. Directions to the Sam Nunn Atlanta Federal Center are located at <http://www.nrc.gov/who-we-are/locations/region2.html>.

Management representatives from the operations and training organizations are invited to attend this conference. The purpose of this conference is to inform regional training and operations management of issues and policies that affect the licensing of reactor plant operators. The theme for this year's conference will be, "Working and Communicating Effectively to Improve the Operator Licensing Process." Topics for discussion will include examination scheduling and planning, examination results, license medical conditions, exam submittal quality, consistency in examination reviews, NUREG 1021 changes, and other operator licensing and training topics. This meeting is a Category 2 meeting.

In accordance with 10 CFR 2.790 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS).
