Re: Amendment to USNRC License # 45-03654-01 Alleghany Regional Hospital

To Whom It May Concern:

Alleghany Regional Hospital wishes to amend its current USNRC materials license to reflect changes in scope of program.

1. **Delete uses as Described in 10 CFR 35.400:** At the last meeting of the ARH Radiation Safety Committee Meeting, a vote was taken to remove the Brachytherapy program from our materials license. We have not performed any Brachytherapy in over 3 years, and possess no Brachytherapy sources.

If you have any further questions regarding this amendment request or would like to discuss it further do not hesitate to contact James Nunn or myself. Mr. Nunn may be reached at (540) 563-0165 (office) or (540) 353-3139 (cell)
