<p>Name of Licensee: Philip Morris USA, Inc.</p> <p>Name of Participant(s): Joseph Tenhet</p> <p>Telephone No. 804-274-2946</p> <p>Subject: more information for new license request  <small>(NOTE: This will be used as the Documents Title in ADAMS)</small></p>		
<p>Summary: I contacted Mr. Tenhet to inquire about the following concerning the new request for a license. I asked if he could submit a more clear facility diagram as the one sent in was not legible. I also asked Mr. Tenhet to submit additional information concerning the requested authorized users experience with the types and quantities of radioactive materials used. Mr. Tenhet explained that some Au's may not have the experience required and I explained to him that we could approve some of them and as others gained the experience, they could be added on the license later. He explained that he would gather the information and send it in within the next two weeks.</p>
