W. P. Ellis, Radiation Specialist, CD:II

HEALTH AND SAFETY EVALUATION - UNION CARBIDE CORPORATION, UNION
CARBIDE CHEMICALS COMPANY, SOUTH CHARLESTON, WEST VIRGINIA - LICENSE
NOS. 47-260-3, -4, and -6.

The licensee has well trained personnel and excellent administrative controls of the byproduct materials being used in these programs. Excellent storage facilities and instrumentation are provided and routine radiation surveys are performed to insure that materials are properly shielded. No problems are anticipated.
