<p>Name of Licensee: Centra Health Corporation</p> <p>Name of Participant(s): Dana Duffield, Physics Technician</p> <p>Telephone No. 434-947-4010</p> <p>Subject: RAI (140594) dated 6/26/07  <small>(NOTE: This will be used as the Documents Title in ADAMS)</small></p>		
<p>Summary:</p> <p>In the letter dated 5/31/07, the licensee requested the addition of Drs. Hellewell and Hite to the license as Aus of 35.100; 35.200 and 35.300 materials. After reviewing the information provided it was determined that Dr. Hellewell could be authorized based on his ABR certificate and preceptor statement for 35.100 and 35.200 only. Ms. Duffield stated that Mr. Hames would like to have Dr. Hellewell listed for those materials at this point and they would have Dr. Hellewell complete the NRC Form 313A(AUT) for 35.300 uses at a later date.</p> <p>Based on a review of Dr. Hite's information it was determined that Dr. Hite will have to resubmit his 313A(AUD) and 313A(AUT) following the T&amp;E pathway. Dr. Hite's ABR was dated June 2005.</p> <p>Ms. Duffield will attempt to get the balance of the information. If she is not able to get all of the necessary information prior to the due date, Dr. Hellewell should be added to the license for 35.100 and 35.200.</p>
