

WEEKLY REPORT TO THE COMMISSION

OFFICE OF FEDERAL AND STATE MATERIALS AND ENVIRONMENTAL MANAGEMENT PROGRAMS

Proposed Rule Signed by the Acting EDO

On July 31, 2007, the Acting Executive Director for Operations (EDO) approved a proposed rule that would amend 10 CFR Parts 32 and 35, "Medical Use of Byproduct Material - Minor Corrections and Clarifications." This amendment would allow correcting or clarifying of the rule language in several sections that govern specific domestic licenses to manufacture or transfer certain items containing byproduct material and medical use of byproduct material.

This notice informs the Commission that, under the rulemaking authority delegated to the EDO, the acting EDO has signed this proposed rule for publication in the *Federal Register*.

The proposed rule can be found in ADAMS at ML071790064.
