Re: Update on License #52-31241-01

To Whom It May Concern:

We will like to clarify that in our address Suite 105 is our main office. The actual nuclear medicine service will be at Suite 102 which is just across the hall. Mr. Hector Bermudez inspected the facility on Suite 102 and made the note of this on his license draft but we got the license with the wrong suite number anyway.

Also, we will like our authorized materials to be updated to only CFR 35.200 since we are only are going to be doing Cardiac Nuclear Medicine.

If you have any questions you may contact Mr. Alfredo Garcia or myself at 787-860-0075.

Thank you and regards,

Edwin Marshall, MD
President
