Reference: License Nos. 37-23527-01G and 37-23527-02

Dear Ms. Ullrich,

We request that the above referenced Licenses be amended to allow us to possess and distribute all self-luminous models manufactured by Shield Source Incorporated under Device Registration Certificate NR-1286-D-101-G. Specifically, we request the following:

For License 37-23527-01G:

1. Amend License Condition 11 to include all Shield Source Models listed within Device Registration Certificate NR-1286-D-101-G.
2. Amend License Condition 12 to include all Shield Source Models listed within Device registration Certificate NR-1286-D-101-G.

For License 37-23527-02:

3. Amend License Condition 7 to include Sealed Sources from Shield Source.
4. Amend License Condition 9 to include self-luminous devices manufactured by Shield Source under Device Registration Certificate NR-1286-D-101-G.

We believe that the above amendments are all that should be required to allow us to possess and distribute self-luminous devices manufactured by Safety Light Corporation and Shield Source Incorporated. If so, please proceed with the requested amendments. If not, please advise us what else is required and we will make the necessary modification to our request.

Many thanks for your assistance with this matter.

Regards,

William E. Lynch Jr.
