Re: Nuclear License

~~NUCL-20515/01/006~~
29-30220-01 just

Dear Ms. Gabriel:

Please be advised that we are not using Iodine 131 and do not plan to use it in the future. Please amend our license to reflect the current NRC format.

Sincerely,

Danny Wang, M.D.

140812

This is to acknowledge the receipt of your letter/application dated

7/13/2007, and to inform you that the initial processing which includes an administrative review has been performed.

☒ AMEND. 29-30220-01
There were no administrative omissions. Your application was assigned to a technical reviewer. Please note that the technical review may identify additional omissions or require additional information.

☐ Please provide to this office within 30 days of your receipt of this card

A copy of your action has been forwarded to our License Fee & Accounts Receivable Branch, who will contact you separately if there is a fee issue involved.

Your action has been assigned **Mail Control Number** 140812.
When calling to inquire about this action, please refer to this control number.
You may call us on (610) 337-5398, or 337-5260.
