RE: License Number 29-30333-01

Dear License Reviewer:

We request our byproduct material license be amended to name Theresa Lairmore, CNMT as the radiation safety officer. Ms. Lairmore will replace Melvin Freundlich, MD in this capacity. In addition, we request the Dr. Freundlich remain on our license as an authorized user.

Prior to Dr. Freundlich's tenure as the radiation safety officer, Ms. Lairmore served as the radiation safety officer for this institution. Please refer to our past byproduct material license for confirmation of training and experience.

In addition, Ms Lairmore served as the radiation safety officer for Tri County Imaging Located in Chatham, New Jersey (License Number: 29-30522-01), through October 31, 2006. Please refer to this document for confirmation of Radiation Safety Officer status.
