Dear Mr. Crooks:

Enclosed is Amendment No. **46** amending NRC Material License No. **SUC-1380**, which authorizes the release of Area 31, located at the Lake City army Ammunition Plant, Independence, Missouri, as requested in your letter dated May 2, 2007.

An environmental assessment for this action is not required, since this action is categorically excluded under 10 CFR 51.22(c)(14)(xvi), which involves the use of source, byproduct or special nuclear material in quantities and form similar to those categorically excluded in sections (I)- (xv) of Category 14 and, therefore, have insignificant environmental impacts. .

You will be periodically inspected by NRC. Failure to conduct your program in accordance with NRC regulations, license conditions, and representations made in your license application and supplemental correspondence with NRC will result in enforcement action against you. This could include issuance of a notice of violation, or imposition of a civil penalty, or an order suspending, modifying or revoking your license as specified in the General Statement of Policy and Procedure for NRC Enforcement Actions. Since serious consequences to employees and the public can result from failure to comply with NRC requirements, prompt and vigorous enforcement action will be taken when dealing with licensees who do not achieve the necessary meticulous attention to detail and the high standard of compliance which NRC expects of its licensees.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter and its enclosure will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). The NRC's document system is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).

Please review the enclosed document carefully and be sure that you understand all conditions. If there are any errors or questions, please. Do not hesitate to contact me at (630) 829-9856.

Sincerely,
