RE: RSO – Notification of Change
Megan, LLC dba Fairfield Testing Laboratory (Bridgeport, CT)
License No. 06-19279-01
Docket #03017254

Dear Mr. Schmidt:

The purpose of this letter is to provide formal notification of a change in status of our listed Radiation Safety Officer.

Effective immediately, I would like to appoint Robert Black (#10122) as our Radiation Safety Officer. Mr. Black has recently been promoted to the position of Field Manager and as part of his duties, is responsible for training existing staff and new hires in the proper use, care and transportation of lab equipment, including the equipment relevant to this license. A copy of his most recent training certificate is enclosed for your review.

This lab is committed to consistent growth and achieving a level of excellence in all areas. We view this transition as yet another step in our efforts to accomplish these goals.

If you need further information or documentation in order to amend our license, please contact our office as soon as possible and we will comply immediately. If you have any further questions, please feel free to contact me at your convenience.

Very truly yours,

James E. Quill, P.E.
