RE: RML#37-30969-01

03036708

Dear Inspector:

I would like to amend our radioactive materials license as follows:

1. Please add the following physician as authorized user for the following materials and use.

Chandra R Polam, M.D. for materials and uses listed in 10CFR 35.200. Dr. Polam is currently an authorized user on NRC license #37-28520-01. Experience and training is currently on file with the commission. A copy of the referenced NRC license is attached.

If you need anymore information please contact me at 412-672-9781.

Very truly yours,

Rudolph L. Buck, M.D.

President

15. Except as specifically provided otherwise in this license, the licensee shall conduct its program in accordance with the statements, representations, and procedures contained in the documents, including any enclosures, listed below. This license condition applies only to those procedures that are required to be submitted in accordance with the regulations. Additionally, this license condition does not limit the licensee's ability to make changes to the radiation protection program as provided for in 10 CFR 35.26. The U.S. Nuclear Regulatory Commission's regulations shall govern unless the statements, representations, and procedures in the licensee's application and correspondence are more restrictive than the regulations.
