RE: Amendment Request - Jay H. Stone, M.D., PA
License Number: 29-30637-01

Dear License Reviewer:

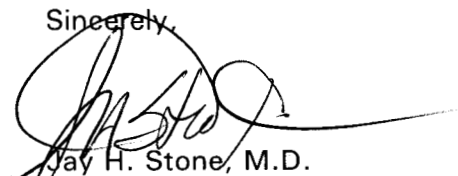

Please amend our byproduct material license to delete Parag Patel, M.D. as an authorized user.

In addition, please amend our license to add Joseph Trifolo, M.D. as an authorized user for all materials and procedures approved on our current license. Dr. Trifolo is currently listed as an authorized user on the byproduct material license issued to Community Medical Center (License Number: 29-09806-03). Authorizations include all materials and procedures included under 35.100, 35.200 and 35.300.

If you require additional information, please contact Michael W. Lairmore, our radiation safety officer or myself. Mr. Lairmore may be reached at (201) 693-2277.

We thank you in advance for your assistance with this pending licensing action.

Sincerely,
