Desc: Dear Sir or Madam,

I am requesting all "incidents" involving lost, stolen or misplaced radioactive material in Indianapolis (Marion County), Indiana over the last ten years.

Such incidents will include, but not limited to, radioactive material used in construction, medicine and other commercial uses.

The list of incidences shall include name of company, hospital, health clinic or commercial interest involved, the name and amount of radioactive material lost, stolen or misplaced, the date of incident, any fines imposed along with any remediation imposed. Also requested is a contact name, address and telephone number for each incident.

Along with Indianapolis (Marion County), Indiana, the information listed above is also being requested for Carmel (Hamilton County), Indiana and Greenwood (Johnson County), Indiana.

Please contact me if you need additional information.
