Re: Open Record Request

Dear Sir/Madam:

Tracerco requests that certain records be provided pursuant to your open records policy. Specifically, we are requesting all available reciprocity recognition records for the following:

Licensee Name: Quantum Technical Services Inc.

License Number: Texas Radioactive Material License No. L03731

Time Period: 2006 &amp; 2007

We are seeking the dates and job site locations where Quantum used radioactive materials in all Non-Agreement States during the above referenced time period. If available, copies of the reciprocity requests are preferred. The requested records can either be mailed to my attention at the above letterhead address or faxed to my attention at 281-291-7709. I can be contacted at 281-291-7769, if additional information is required to act on this request.

Than you for your cooperation

Best Regards,

Norman Lanier
