manager)

Mike McCann, Senior Health Physicist/Inspector,
RIII/DNMS/Decommissioning Branch

Eugenio A. Bonano, Health Physicist/Inspector, Project Manager
RIII/DNMS/Decommissioning Branch

TRIP SUMMARY:

Mr. Mike McCann, Senior Health Physicist/Inspector will be assuming responsibilities for the project management of the NSGL site for the NRC Region III beginning May 4, 2007. As a result, a tour and meeting with base level managers was conducted on April 26, 2007. This was an opportunity for Mr. McCann to become familiar with the site and status of the decommissioning project.
