Pete,

RAI 9.1-26 S01 was forwarded to you in an email from Lauren Quinones, dated June 26, 2007 (ML072150010). This email had a subject line of, "Supplement RAI Request for Section 9.5". During a recent review, GEH identified this RAI as a discrepancy between GEH and NRC.

Subsequent to the issuance of the supplemental RAI, the technical staff revisited the response to the original RAI and considers it acceptable. Therefore, RAI 9.1-26 S01 is resolved and no GEH response is necessary.
