Date: 08/08/2007  
Call & e-mail from Res. Insp.

**Subject:** KPS Names Director-Nuclear Organizational Effectiveness

**Discussion:**

Site Vice President, Ms. Leslie Hartz announced that a newly created temporary position, Director-Nuclear Organizational Effectiveness, has been established to “accelerate improvements in the execution of corrective-action and self-assessment activities” with an emphasis to “hasten backlog reduction and as a means to improved products.”

Ms. Hartz indicated that Mr. Paul Blasioli has accepted the position and will be reporting directly to her. Mr. Blasioli comes to KPS from Dominion’s Millstone Power Station where he held positions in the Organizational Effectiveness department
