Request for Additional Information (RAI) Regarding License Renewal, Oregon  
State University TRIGA Reactor (TAC NO. MC5155) dated May 21, 2007

Subject: Request for Extension of 45 days to Respond to the RAI

Mr. Hughes:

The RAI letter dated May 21, 2007, requested a response within 45 days from the date of the letter. We would like to request an additional 45 days for a response to the RAI. Due to travel away from work for several of our key staff members, including myself, we have not had the opportunity to thoroughly research and assemble our response. The additional 45 days should be adequate and greatly appreciated.

If you have any questions, please call me at the number above. I declare under penalty of perjury that the foregoing is true and correct.

Executed on: 6/25/07.

Sincerely,
