SUBJECT: ACKNOWLEDGMENT OF YOUR REQUEST FOR LICENSE AMENDMENT  
DATED AUGUST 13, 2007 FOR THE PLANT 6W URO REMOVAL -  
MALLINCKRODT ST. LOUIS, MISSOURI, SITE

Dear Ms. Burke:

The U.S. Nuclear Regulatory Commission (NRC) staff has received your correspondence and the enclosed license amendment application dated August 13, 2007, entitled Un-reacted Ore Removal from Plant 6W. Please note after we have completed our review of the previously supplied Delineation Agreement (letter to NRC from Pat Duff dated August 7, 2007) and there are no pending questions, we will begin processing the application, which involves an administrative review, followed by a detailed technical review. The detailed technical review may identify omissions in the submitted information, or technical issues, that require our request for additional information. If necessary, we will request this information under separate cover in the future.

If you have any questions on these matters, please contact me at (301) 415-0023, or by email at [aak@nrc.gov](mailto:aak@nrc.gov).

Sincerely,
