Document_Title: FY2007-FY2012 STRATEGIC PLAN - JULY 2007

Comments: Page 3 - second paragraph - says NRC must obtain additional resources to meet an increasing workload, etc.

Comment: This paragraph should be revised to also focus on increasing efficiency. In challenging times, a taxpayer- or ratepayer-funded agency should be focused on how to do more with the resources available - rather than just look for more resources.

While this thought appears later in the plan, it should be more visible "up front."
