REFERENCE: Docket 50-186
University of Missouri – Columbia Research Reactor
Amended Facility License R-103

SUBJECT: Written communication as specified by 10 CFR 50.4 regarding a December 16, 2002
request to amend Facility License R-103

The University of Missouri Research Reactor (MURR) is withdrawing a request to amend Facility License R-103. By letter dated December 16, 2002, MURR requested several changes to the facility Technical Specifications (TS). Included within these changes were revisions to certain TS definitions, limiting conditions for operation, and reporting requirements. MURR management at this time has decided not to pursue these changes. If there are questions regarding this letter, please contact me at (573) 882-5276. I declare under penalty of perjury that the foregoing is true and correct.

Sincerely,

Leslie P. Foyto
Reactor Manager
