SUBJECT: RECEIPT OF REQUEST FOR REVIEW - ACKNOWLEDGMENT LETTER

Dear Mr. Boyle:

By letter dated May 11, 2007, the Department of Transportation submitted a request for review of Japanese Certificate of Approval No. J/156/AF-96 for the Model No. RAJ-III package.

This letter acknowledges receipt of your request for review. The request appears to contain the necessary information to begin our technical review. We have established a schedule for this review. The schedule allows for the staff to issue a possible request for additional information (RAI) in October 2007. If no RAI is needed, and based on the staff's evaluation, we may provide a revalidation recommendation at approximately that time.

If you have any questions regarding this matter, please contact me at (301) 492-3326.

Sincerely,

/RA/
