Subject: Actions to Verify A2 Issues are Identified and Resolved

Raj,

The actions that DLR has taken to verify that a2 issues have been adequately identified and resolved are as follows:

- 1 Review the LRA
- 2 Review Section 2 of the SER
- 3 Discuss a2 scoping with DSS/Contractor
- 4 Review the regional inspection report
- 5 Discuss a2 scoping with the regional team leader
- 6 And, if necessary, re-confirm with the applicant

Thanks,
Bill
