Dear Mr. Hengemihle:

This concerns the subject application for a new material license and our phone call in which we notified you that the application was deficient and that certain additional information was required. We stated that if we did not receive a response from you before September 5, we would assume that you no longer wished to pursue the action. To date, we have not received a response to our request.

We are notifying you that we have voided your application because we consider you to have abandoned it. This action is taken without prejudice to the resubmission of your request.

Sincerely,
