Please review the enclosed document carefully and be sure that you understand all conditions. If there are any errors or questions, please notify the U.S. Nuclear Regulatory Commission, Region III office at (630) 829-9887 so that we can provide appropriate corrections and answers.

Please note, we have not released 1509 West Truman Road, Independence, Missouri, from your license as a location of use and we have not removed the authorization for 35.500 and 31.11 materials from your license at this time, because we need additional information as described in the enclosed memo.
